You're all mistaken, mother, can't you see?

I was not taken, mother I chose to leave

'Cause I love my baby, tall, dark Hades, lord of death is down on his
knees for me

No I wasn't threatened, mother I was not bound

No I wasn't carried, off on his three-headed hound

'Cause I packed my own bag, found my own way, down into the
underground

See mama, he may seem gruesome, but he's even got a dog

And don't you know that death is, a very stable job

'Cause I love my baby, tall, dark Hades, lord of death is down on his
knees for me

'Cause I danced with his shadows, and he has danced with mine
'Cause I danced with his shadows, and he has danced with mine
'Cause I danced with his shadows, and he has danced with mine
And the sacred blood we spilled has dried, and I am fine

I'm fine

I'm fine

I'm more than fine

For I am his and he is mine
